EARTH SUN MOON

ABOUT EARTH SUN MOON

Welcome to our 2025 wholesale catalog! We haven't been idle here at Earth Sun Moon, but have been working hard at dreaming up dozens of fresh, new designs and expanding our product offerings that we're sure will delight your customers.

You can rest assured that our dedicated team will never stop striving to live up to our company mission statement – to be good at what we do, to be good to our customers, to be good to each other, to be good to the earth. These aren't just nice words to us – it's what we aspire to do every day so that you can feel good about every purchase you make from Earth Sun Moon. We believe you deserve our very best: unique designs that sell well, quality products and printing, fast turnaround times, fair pricing & policies and friendly & competent customer

service. After all, we wouldn't be in business without you and the thousands of other loyal specialty retailers who carry our fun apparel and gifts year after year!

It's hard to believe that it's been 29 years since I founded Earth Sun Moon in the basement of a local record shop. We have grown dramatically over the years, thanks to the enthusiasm that fine retailers like you have shown for our creative, nature-inspired designs and quirky sense of humor. For that, I am ever grateful.

As always, we sincerely appreciate your business – we'll never take it for granted.

Ordered four new t-shirt designs from Earth Sun Moon for our summer season. They were a hit on all levels. The art department was super easy to work with and quickly returned great ideas to review. Production time was fast, they are priced right to sell, and really popped on the floor. We have already reordered all four designs and summer isn't over yet. Thank you ESM!!!
